**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

For as long as I've been a consumer of the internet it has been made available by duopolies everywhere I lived. That was until I moved to San Francisco and experienced for the first time how wonderful competition for broadband and fiber service. No data caps, no excuses for the terrible service and most importantly no more lying about the service advertised vs what I received. Please do not bend the knee to these telecommunication giants. Competition for broadband helps consumers and small business alike.
